*MS Department of Health, Office of Community Health Services, Bureau of Public Health Statistics, Division of Vital Statistics. Calculated from 1999 Live Births by County (Table 3A) reduced by 1999 Infant Deaths (Table 12A) to produce current population data in lieu of data from the 2000 Census.

**MS Department of Health, Child Care Licensure December 2004 enrollment of licensed Head Start facilities, confirmed by January 2005 KIDS COUNT Mississippi survey of the State's Head Start Agencies.

***MS Department of Health, Child Care Licensure December 2004 enrolment of licensed child care facilities.

****MS Department of Education

*****January 2005 KIDS COUNT Mississippi Survey of the MS Private School Association, Non-Public Schools Accredited by MS Department of Education, the American Association of Christian Schools and the Association of Christian Schools International.

*****Percentages over 100% can reflect a population increase or enrolled children residing outside the county.
